

# VSGBI VASCULAR SOCIETY 5th MAJOR LOWER LIMB AMPUTATION COURSE

**5<sup>th</sup> and 6<sup>th</sup> May 2020** Fresh frozen cadaver course in  
our World Class Surgical Training Centre

- The Vascular Society lower limb amputation course is aimed at surgical trainees at the ST3 – 5 level
- Run over two days in the West Midlands Surgical Training Centre with a high faculty to delegate ratio
- The course will be a series of brief lectures followed by formal teaching on anatomical specimens
- Participants will have the privilege of using fresh frozen cadaveric material throughout this course
- One delegates per limb will be available giving excellent opportunities to become proficient in the theoretical and practical skills on lower limb amputation
- These sessions are fully interactive with an emphasis placed on hands on skills, knowledgeable faculty provide superior training and immediate feedback in a practical and controlled workshop environment
- This course will attract 12 CPD points awarded by RCS England
